NARRATIVE AND INFORMATION SECTION**

2024 AUTHORITY BUDGET MESSAGE & ANALYSIS

Edgewater Park Sewerage Authority

FISCAL YEAR: December 01, 2023 to November 30, 2024

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2024 proposed Annual Budget and make comparison to the Fiscal Year 2023 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

The Authority anticipates that the proposed budget provides adequate funding for its 2024 operations. The Administration-contracted services decreased \$45,000 due to the position becoming vacant for 2024. The rent expense increased due to an increase in rent by \$3,000 in 2024. Principal decreased \$25,772 due to the debt service requirements.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

A new residential development is underway which the Authority is anticipating an additional 10 customers in 2024. The budget is anticipating an increase of \$7,000 in service charges for 2024.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

The township has experienced little growth during the last few years and this is expected to continue over the next several years as there are only small projects that have Planning Board approval at this time. Existing facilities are currently being reviewed to determine what changes will be required to meet current and future requirements. Over the next five years the Authority has planned to make applicable improvements to its system as depicted in the Capital Budget.

(Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

None noted.

5. The proposed budget must not reflect an anticipated deficit from 2023 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

N/A

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report.
